* for any additional information you may need, please contact Anze Japelj: mob. phone no.: ++386 31 488 476

¹ The dinner will be held in restaurant Sokol (<http://www.gostilna-sokol.com/index.php?lang=en>) in the Ljubljana city centre. The venue is not in the walking distance so additional transportation will be organized (probably by car), but usage of participants own cars is welcomed if possible.

² The public presentation would consist of presentation of individual WP's by their leaders followed by a discussion between project consortium and forest fire experts from Slovenia outside the consortium (also external observers) who might benefit from the project outputs.
